TNS077640	Springfield	N	Yes		
TNS077631	Tullahoma	N	No	Yes	
TNS075558	Union City	N	No	Yes	

Permitting status: "N" represents "new" and means the facility/entity is not yet covered by NPDES permit.
"P" indicates that these entities do not meet our current criteria for permitting. They are listed in this table to indicate that the Division is considering designating this entity.

Cities and portions of counties in Urbanized Areas are automatically regulated.
Cities and counties not in urbanized areas are regulated based on Tennessee's criteria for selection.
